OAK HILL® COLLECTION

CLASSIC

GOLDEN ERA

MODERN

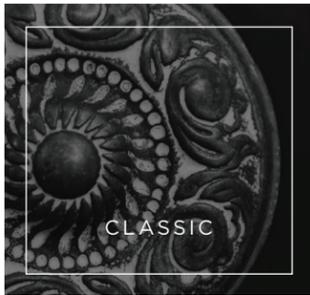

CONTEMPORARY

DXV creates premier bath and kitchen collections for discerning homeowners. Inspired by influential design movements spanning fifteen decades, we preserve pivotal design elements from each period, reimagined for today. Each movement—**CLASSIC, GOLDEN, MODERN, CONTEMPORARY**—is comprised of meticulously crafted, perfectly curated collections and pieces to streamline the renovation process while instilling the beauty, refinement and creativity that makes your home uniquely yours.

The **OAK HILL COLLECTION** from DXV is a vintage-inspired bathroom suite that preserves the authenticity of the traditional farmhouse aesthetic by balancing the simple beauty of yesterday with the modern utility of today. Curated with care and attention to detail, every faucet, sink, toilet and tub is an exquisite example of design excellence. From the rounded curves that suggest strength and confidence to the finer points of meticulous craftsmanship, Oak Hill continues the legacy in absolute luxury.
