Each American Standard product is designed to be easy to use and easy to install, providing you with years of worry-free performance and lasting beauty. Here are just a few of the ways we make that happen.

FEATURES AND BENEFITS

FAUCETS

- 

**ANTI SCALD**

Adjustable hot limit safety stop prevents scalding by limiting hot water temperature and protects against sudden temperature changes.
- 

**LIMITED LIFETIME WARRANTY**

Our products are designed to live longer in one place than you do. But in case you're in need of a replacement or repair, your American Standard product comes with a limited lifetime warranty on finish and function.
- LIFETIME FINISHES**

Guaranteed to last a lifetime. Our finishes provides tarnish, scratch and corrosion resistance for years of trouble-free use.
- DRIP-FREE CERAMIC DISC VALVES**

Our ceramic disc valves—made from the second-hardest material next to diamonds—are maintenance-free and provide a lifetime of smooth handle control, even in extreme temperatures or hard water conditions.
- PRESSURE-BALANCING VALVE CARTRIDGE**

Features volume control and integral Hot Limit Safety Stop.
- TEMPERATURE MEMORY POSITION**

Our single handle faucets feature Temperature Memory Technology, so that you can turn your faucet on and off at the same temperature setting every time.

SINKS

- 

**RIGHT HEIGHT**

Ergonomically designed sinks that eliminate undue stress and strain and provide added comfort when used.

TOILETS

- 

**VORMAX®**

Two powerful jets of water eliminate everything in their path, scrubbing the bowl clean from top to bottom. Tested and proven to clean over 2X better than other toilets.
- 

**EVERCLEAN®**

Antimicrobial surface inhibits growth of stain- and odor-causing bacteria, mold and mildew. Surface is also 2X smoother to prevent sticking and staining.
- 

**SLOW-CLOSE SEAT**

Gently and safely closes to avoid pinching fingers and slamming.
- 

**LIMITED LIFETIME WARRANTY**

Our products are designed to provide years of worry-free use. But in case you're in need of a replacement or repair, your American Standard product comes with a 10-year mechanical warranty.
- 

**CHAIR HEIGHT**

Ergonomically designed toilets that eliminate undue stress and strain and provide added comfort when used.
- EASY LIFT-OFF TOILET SEATS**

Convenient slow-close seats with innovative Push Button Lift and Clean feature make cleaning a snap.

COMPLIANCE

- 

**EPA WATERSENSE CERTIFIED**

WaterSense certified products help to reduce water consumption and monthly utility costs. Best of all, they help protect our world's vital resources for future generations.
- 

**LEAD-FREE**

Through our innovative brass alloy formulation, all of our sink faucets are certified lead-free\*, while maintaining our quality, performance and unmatched style.

\*As defined under applicable federal and state laws.
- 

**ADA COMPLIANT**

Meets Americans with Disabilities Act and ANSI A117.1 requirements.
